LEND US YOUR SUPPORT

Libraries play an integral role within any community as a prized resource. With the recent tragedy in Sutherland Springs in mind, the library is even more committed to help with the healing process. Your library is in the process of applying for several grants to create and support a **Healing Lending Collection**. Whether the grief is from the loss of a loved one, a pet or someone suffering from an illness; these special kits will include reading materials, activities, discussion leads for all ages, to address and start the healing process.

PLEASE LEND US YOUR SUPPORT

We need your voice to be heard, in the form of a support letter.

Please take just a moment and email your support of this healing library to nstohr@wilsoncountytexas.gov

Thank you in advance for your support.
